

About Us

Our organization is led by founder and President Nicholle Wyatt. Mrs. Wyatt has worked for the last 20 years in the college admissions field. Beginning her career as an area recruiter for a small liberal arts college in the Pacific Northwest, she then worked in the admissions office of the University of San Diego. While there, she completed her Masters degree in school counseling. For the last 15 years Mrs. Wyatt has been the Head College Counselor at the Academy of Our Lady of Peace in San Diego, California. Concurrently, Mrs. Wyatt has kept her hand in the other side of the admissions process working for the admissions teams at the University of California San Diego, and now for the University of California Los Angeles. She also currently serves on the Board of Directors for the National Catholic College Admission Association (NCCAA).

The staff of *College Bound Solutions* is composed of credentialed educators, each with decades of experience in secondary and postsecondary education. Our qualified staff holds multiple degrees in various areas of expertise.

Mrs. Wyatt holds several professional certifications and has been called upon to teach high school counselors about the college admissions process. She presents regularly at regional and national conferences, and is well known throughout the college admissions world. Mrs. Wyatt has been invited to visit over 400 colleges and universities -- both nationally and internationally -- which has helped her match students with colleges that are the "perfect fit".
